

The Devil's Elbow, 2013, Edward Londergan, 0989304906, 9780989304900, Indian
Rock Publishing, 2013

Set in colonial Massachusetts, The Devil's Elbow follows Jack Parker from his orphan childhood days as an apprentice to a greedy and brutal Boston merchant to the isolated pioneer settlement of Brookfield, where he ends up in the fight of his life to protect the people and place he loves. The knowledge Jack's father gave him, that the measure of a man is how he deals with the worst life can throw at him, the support of the powerful man who becomes his friend, and deep, unshakeable love for the childhood girlfriend who becomes his wife, fuel Jack's determination and will to survive. All Jack has learned on his eight year journey meets its greatest test when he and ninety-eight others are trapped in a four-room tavern for three hot, humid August days, fighting for survival against 400 once-friendly Indians, who are determined to wipe them out and reclaim their land and way of life.
